Annual 64.2009(e) CPNI Certification for 2016

Date filed: February 24, 2017

Certifying Companies with Form 499 Filer IDs:

Lighttower Fiber Networks I, LLC (formerly known as Light Tower Fiber Long Island LLC)	824812
Lighttower Fiber Networks II, LLC (formerly known as Sidera Networks, LLC)	822434
Fiber Technologies Networks, L.L.C.	821688

Name of signatory: David L. Mayer

Title of signatory: General Counsel, EVP Business Development & Secretary

I, David L. Mayer, certify that I am an officer of Lighttower Fiber Networks I, LLC (formerly known as Light Tower Fiber Long Island LLC), Lighttower Fiber Networks II, LLC (formerly known as Sidera Networks, LLC), and Fiber Technologies Networks, L.L.C. (collectively "Lighttower"), and acting as an agent of the Lighttower, that I have personal knowledge that Lighttower has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. *See* 47 C.F.R. § 64.2001 *et seq.*

Attached to this certification is an accompanying statement explaining how Lighttower's procedures ensure that Lighttower is in compliance with the requirements set forth in section 64.2001 *et seq.* of the Commission's rules.

Lighttower has not taken any actions (proceedings instituted or petitions filed by Lighttower at either state commissions, the court system, or at the Commission) against data brokers in the past year. Lighttower has no information to report with respect to the processes pretexters are using to attempt to access CPNI. Lighttower's steps taken to protect CPNI are described in the accompanying statement.

Further, Lighttower has not received any customer complaints concerning the unauthorized release of CPNI in its operations in the past year.

Signed

**Re: Annual CPNI Compliance, EB Docket No. 06-36**

Annual 64.2009(e) CPNI Certification for 2016

Certifying Companies with Form 499 Filer IDs:

Lighttower Fiber Networks I, LLC (formerly known as Light Tower Fiber Long Island LLC)	824812
Lighttower Fiber Networks II, LLC (formerly known as Sidera Networks, LLC)	822434
Fiber Technologies Networks, L.L.C.	821688

**Certificate to Accompany Annual 47 C.F.R. § 64.2009(e) CPNI Certification – EB Docket No. 06-36**

Lighttower Fiber Networks I, LLC, Lighttower Fiber Networks II, LLC and Fiber Technologies Networks, L.L.C. (collectively “Lighttower”) submit this accompanying statement to provide an overview on how our procedures ensure that Lighttower is in compliance with the requirements set forth in Section 64.2001 *et seq.* of the Commission’s rules.

**1. Compliance with Section 64.2007, approval required for use of customer proprietary network information:**

Lighttower provides custom, high-capacity network services to enterprise, government, carrier, and data center customers. As a matter of customer convenience, Lighttower uses commercially reasonable processes (e.g., account number, billing address, contact name, and identification of services) to authenticate customer representatives that contact Lighttower to request CPNI. Lighttower recognizes that under federal law it has a duty to protect CPNI and customers have a right to such protection.

**2. Compliance with Section 64.2008, notice required for use of customer proprietary network information:**

Lighttower did not share, sell, lease, or otherwise provide CPNI to affiliates, agents, independent contractors, or joint ventures for purposes of marketing any services to existing customers within the period covered by this annual certification and accompanying statement.

Lighttower recognizes that under federal law it has a duty to protect CPNI and customers have a right to such protection. Marketing campaign records using CPNI after obtaining appropriate customer approval would be maintained for a minimum of one (1) year.

**3. Compliance with Section 64.2009, safeguards required for use of customer proprietary network information:**

Lighttower personnel are trained regarding Lighttower's CPNI policies. Lighttower has a disciplinary process for non-compliance with Lighttower's CPNI policies. Lighttower did not share, sell, lease, or otherwise provide CPNI to affiliates, agents, independent contractors, or joint ventures for purposes of marketing any services to existing customers within the period covered by this annual certification and accompanying statement.

**4. Compliance with Section 64.2010, safeguards on the disclosure of customer proprietary network information:**

Lighttower has measures in place to discover and protect against attempts to gain unauthorized access to CPNI. Lighttower uses commercially reasonable processes (e.g., account number, billing address, contact name, and identification of services) to authenticate customer representatives that contact Lighttower to request CPNI.

**5. Compliance with Section 64.2011, notification of customer proprietary network information security breaches:**

Lighttower has not experienced any CPNI breaches in its operations during the reporting year. However, Lighttower has in place procedures to detect breaches and to notify law enforcement and customers, in compliance with the Commission's rules, should a breach occur. In the event of a breach, Lighttower has procedures in place to maintain a record of notifications to law enforcement and customers documenting the date(s) of discovery and notification, a detailed description of the CPNI that was the subject of the breach, and the circumstances of the breach, which record would be kept for a minimum of two (2) years.
